

Holbrooks Road
NV Brut Cuvee
NORMANS
ESTABLISHED 1853

Variety:	Chardonnay
Region:	South Australia
Alc/Vol:	12.5%
Winemaker:	John Harris
Colour:	Lovely straw and pale green hues.
Bouquet:	Lifted aromas of acacia and citrus.
Palate:	Finely structured, delicate, creamy textured wine that displays lifted tropical fruit flavours complemented by a crisp refreshing finish.
Winemaking:	We selected chardonnay from a single vineyard from vines with generous canopies that allow the fruit to ripen gently and naturally. The fruit was picked early in the season, pressed and then allowed to settle naturally before being filtered. All juice is fermented cold to retain freshness and delicacy before undergoing secondary fermentation in tank to add complexity. A small amount of the wine was carefully selected then blended together to create this amazingly fresh sparkling.
Cellaring Potential:	Made to drink upon release while the fruit is at its most fresh and vibrant.
