

Conquest

NV Sparkling Sauvignon Blanc

Variety:	Sauvignon Blanc
Region:	Awatere and Wairau Valley's, Marlborough New Zealand
Alc/Vol:	13.0%
Winemaker:	John Harris
Colour:	Pale green straw with lovely green hues and brilliant clarity
Bouquet:	Lifted passionfruit with intense tropical aromas rush you with every bubble that pops and screams Marlborough Sauvignon Blanc to tantalize your senses!
Palate:	A fresh and lively sparkling wine with beautiful fruit weight on the palate. It exhibits the same fine tropical fruit aromas as the bouquet with an underlying flinty note, typical of Awatere Valley fruit. It has fine persistent bubbles and a clean refreshing finish
Winemaking:	Parcels of fruit from the Awatere and Wairau Valley's in Marlborough were selected and harvested then gently pressed to retain varietal character and freshness, which is something we made priority with this wine. Winemaking techniques included fermentation with solids as well as cool and warm fermentation. These techniques improved texture and softness without sacrificing the Marlborough Sauvignon Blanc varietal expression
Cellaring Potential:	Drink now, but will continue to soften and develop more complexity over the next 2 years
